STEP ONE

To make card candy, stamp greeting and layer paper squares.

Ink solid balloon with Watermelon Wonder ink. Stamp off. Stamp on Whisper White cardstock. Ink dotted shadow image with same ink and stamp on balloon. Punch out balloon and 2 more from Silver Foil. Adhere stamped balloon with Stampin' Dimensionals.

TIP:

Card Candy can be different shapes and sizes. The most common is 2" squares like the one shown here.

STEP TWO

Punch one end of 2" x 3-1/2" Watermelon Wonder cardstock with Ornate Tag Topper Punch.

Thread both ends of the Seam Binding from the back of the tag and then through the loop in the ribbon.

Add card candy to tag with Stampin' Dimensionals.

Now you have a quick and sweet card candy tag ready to gift!

STEP THREE

Fold 3" x 6" Whisper White in half along score line to create a 3" x 3" love note.

Adhere Watermelon Wonder cardstock strip about 1/4" from bottom edge.

Add card candy to the love note with Stampin' Dimensionals.

Leave a lovely birthday love note on a pillow, a co-worker's desk or on a birthday gift.

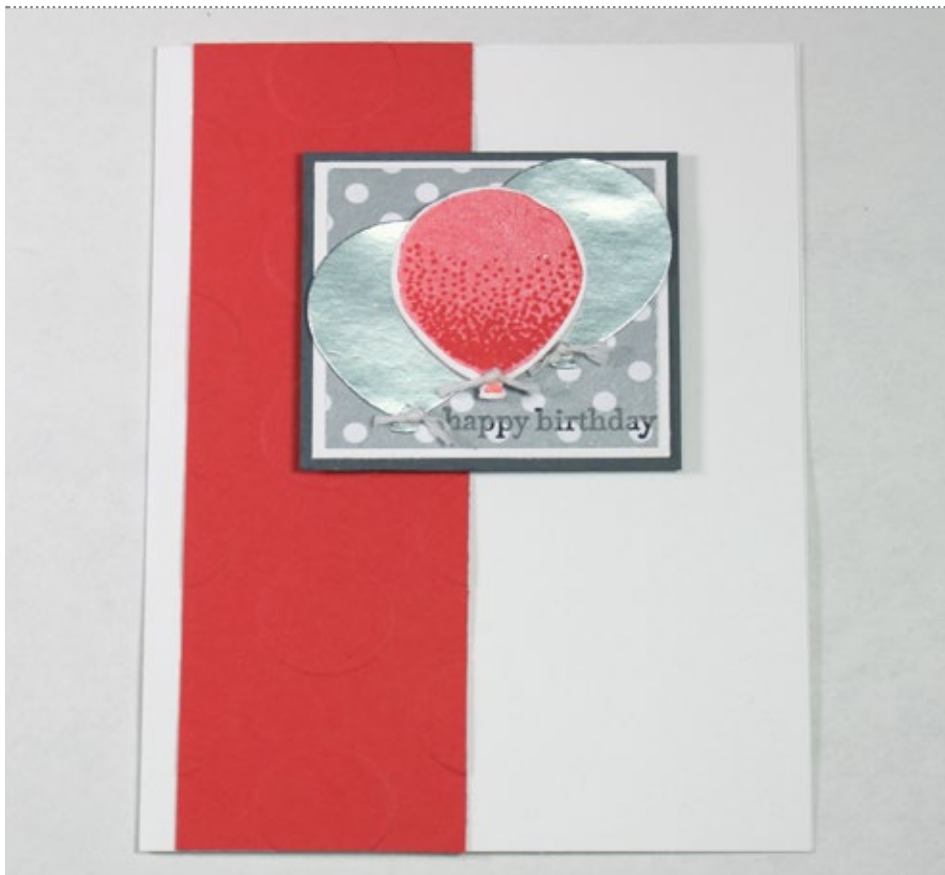

STEP FOUR

Emboss Watermelon Wonder cardstock strip with the Large Polka Dot Textured Impressions Embossing Folder and the Big Shot.

Adhere 1/4" from left edge of the pre-made Note Card.

Add card candy to the note card with Stampin' Dimensionals.

A note card for a birthday or any day is welcome in any mailbox!

STEP FIVE

Fold 4-1/4" x 11" cardstock in half along score line.

Layer cardstock and Designer Series Paper strips and adhere 1/4" from left edge of card.

Add the card candy to the card with Stampin' Dimensionals.

The lucky birthday girl will feel like celebrating when she receives this cute card from you!
